

Proxy Request Form

The University of Oregon Libraries Proxy Program allows UO Faculty to designate one person to act as their representative when checking material out from the Libraries. Additional information is available online at: <http://libweb.uoregon.edu/borrowing/proxy.html>.

By designating another person to act as your proxy, you are authorizing that person to check materials out in your name. You become responsible for any replacement costs, service charges, or overdue fines that accrue for materials checked out in your name by your proxy. If your proxy leaves the UO or is no longer working for you, please be sure to notify the Knight Library Access Services department.

Any questions concerning this program should be directed to the Assistant Director, Access Services Department (346-1918) or to the Director, Access Services Department, (346-1884), Knight Library.
