UO LIBRARIES 2018 USER SURVEY

Graduate Student Survey Results

614 survey participants
18% of all UO graduate students responded to our survey
281 comments

Library Use
65% visit the Library at least weekly
74% access the library website at least weekly

Most important services to graduate students

1. Resource access from my home or office
2. Journal collections for my discipline
3. User-friendly library website
4. Assistance achieving academic success

What the library does well
★ Librarians and staff providing individual attention
★ Librarians help to find and evaluate reliable information

How we could improve

More journal collections for my discipline
Make it easier to access resources from my home or office
Make it easier to locate information on the library website

Overall Satisfaction
(scale 1–9)
