Undergraduate Student Survey Results

2,030 survey participants

11% of all UO undergraduates responded to our survey

713 comments

Library Use

63% visit the Library at least weekly

41% access the library website at least weekly

Most important services to undergraduates

#1 Comfortable and inviting locations
#2 Quiet space for individual work
#3 Up-to-date equipment
#4 Spaces that inspire study and learning
#5 Courteous library staff

What the library does well

★ Librarians and staff providing individual attention
★ Librarians help to find and evaluate reliable information

How we could improve

More spaces and technology that support creativity
More help resolving service issues
More quiet space for individual work
Make it easier to locate information on the library website

Overall Satisfaction

(scale 1–9)

2010: 7.02
2014: 7.15
2018: 7.44
